

5TH FLOOR EXECUTIVE SUITE

Take your next executive meeting off site to a private and impressive boardroom suite. Walk into The Iron Horse Hotel's 5th Floor Executive Suite and feel both relaxed and ready for business. Your private reception area features an ample coat closet and bathroom, as well as a secretarial desk for an executive assistant and two workstations. The perfect venue for small private retreats and off-site meetings divides into a formal boardroom, the War Room, and our creative meeting space dubbed the Sand Box.
